Films

“Cracked & Hatched”

In progress September 2021- Current

Running time: 3m

Digital Animation on Wacom tablet

A short animation about a trans masc chicken being bullied by others and realizing his traits do not define his masculinity.

“Marina’s Sleepover”

Coloring stage September 2020-May 2021

Running time: around 2m 16sec

Digital animation on Wacom tablet

A short animation about a little girl named Marina who goes to her first sleepover. She ends up being dared to do a spooky chant in the close by her bully, which results in her having a fear of the dark.

“Mal”

January 2020-May 2020

Running time: 1m 44sec

Digital animation on Wacom

A short animation about a cactus named Mal discovering he needs to plant a flower to help his species survive in a disastrous heat in the desert.
